RESOURCE CONNECTION

Georgia's Aging & Disability Resource Connection (ADRC) plays an important role in creating **stronger families for a stronger Georgia** by helping people access both public and private resources for older adults, people with disabilities, and their families and empowering people to make informed decisions about the long-term services and supports that they need and want.

For more information about available resources in your local community or statewide, visit us online at www.GeorgiaADRC.com or call us at **1-866-55-AGING** (*select option 2*).
