GMA BUSINESS ALLIANCE PROGRAM

ADVOCACY | SERVICE | INNOVATION

OUR VISION

OUR VISION IS TO CREATE SUSTAINABLE, MUTUALLY BENEFICIAL RELATIONSHIPS BETWEEN THE GEORGIA MUNICIPAL ASSOCIATION (GMA), GEORGIA'S CITIES AND OTHER ORGANIZATIONS THAT HELP TO BUILD STRONG, VIBRANT COMMUNITIES.

A MESSAGE FROM THE GEORGIA MUNICIPAL ASSOCIATION

From its beginning in 1933, the Georgia Municipal Association is an organization made up of city officials who are determined to make cities stronger and deal with the problems of cityhood each day. In the early days that meant seeking funding sources for cities – which were rapidly absorbing displaced agricultural populations and providing ways for cities to grow other than through charter changes at the legislature each year.

Today, GMA represents all of Georgia's 538 cities and consolidated governments by advocating on their behalf at the state Capitol and in Washington, D.C., providing their leaders with training, information and resources to lead, and the services to be more effective and efficient.

Throughout its history, GMA has been about municipal governments speaking with one voice for downtown development, advocacy and business growth within our cities. Where leadership on the local level may change, GMA remains the source of information and a place to make connections. GMA's Business Alliance Program provides GMA with a network of experts to help carry out the mission of GMA. Through the combined efforts of GMA and members of the Business Alliance Program, Georgia cities gain additional resources and information to help them operate their cities and provide the best services to their residents and businesses.

The Alliance is here to help you grow your business while you help us build a stronger Georgia. Together, we are creating strong, vibrant cities for Georgia.

Sincerely,
