Program Overview

The **Municipal Leader Diversity, Equity, and Inclusion Certificate Program** is an EMBRACE program designed to equip **municipal leaders** with tools and resources to combat institutional and systematic racism, injustice, and inequity by honoring and valuing individual differences, fostering relationships, and creating an environment of belonging for city employees.

Created for municipal governments...

... with your day to day in mind.

While there are many other great Diversity, Equity, and Inclusion training and certificate programs, this one is specific to the **needs, experiences, and challenges** of **municipal government**.

Our program:

- Offers a DEI lens to government functions,
- Focuses on policy and implementation,
- Includes real examples and case studies, highlighting work happening in local communities,
- Provides a safe environment to learn from one another and engage in dialogue around difficult topics with other public service professionals.

Program Framework

Module One: Inclusive Leadership

Module Two: Financial
Management

Module Three: Excellence in
Public Safety

Module Four: Economic and
Community Growth

Module Five: Community/
Stakeholder Engagement

Module Six: Human Resources

Module Seven: Capstone Project

Participants will:

- Learn about the principles of DE&I and how it is applicable to your work.
- Hear from subject matter experts and connect with other municipal leaders working through local issues.
- Gain tools to help combat institutional and systemic racism, injustice, and inequity.

- Learn how to foster relationships by honoring and valuing individual differences.
- Understand how to create an environment of belonging for city employees and residents.
- Learn how to lead with fairness, understanding, and compassion.
