

Municipal Government Hall of Fame 2019 Nomination Packet

Thank you for your interest in GMA's Municipal Government Hall of Fame program. The Municipal Government Hall of Fame was established in 1992 to recognize current and past municipal officials who exemplify the very best in public service and who, throughout their careers, have made extraordinary contributions to municipal government.

To be considered, nominees must have:

- served a minimum of fifteen years as either an elected or appointed municipal official in Georgia (an exception is made for city officials who were only able to serve two four-year terms due to term limits);
- made significant contributions to the quality of life within their city; and
- been a strong supporter of the Georgia Municipal Association.

If you know of someone who meets the criteria outlined above, we hope you will consider submitting a nomination. The following pages include instructions for submitting a 2019 nomination and the nomination form.
